B. BASAVARADHYA,
for *Registrar.*

REVENUE COMMISSIONER.

CIRCULAR.

No. 6337-14, *dated 6th December* 1906.

To—The Deputy Commissioners of Districts.

It having been brought to the notice of Government at the Dasara Representative Assembly of 1906 (*vide* Subject No. 31 of the Proceedings) that extracts from Khetwar Patrik applied for under the provisions of Section 238, Civil Procedure Code, are not promptly furnished by the taluk authorities, Deputy Commissioners of Districts are requested to issue strict orders to their Amildars to give such copies with the least practicable delay. As duplicate copies of Khetwar Patrik are or ought to be kept in taluk offices, such copies should be furnished from the taluk offices direct without reference to the shanbhogs within two days of the date of application. If however khetwar is not available in the Taluk Records, it should be sent for from the shanbhog without any delay and the copy or extract made in the taluk office through ordinary copyists without intervention of the shanbhogs as it is complained that intimation of such applications to village officers led to fraudulent alienations in order to defeat execution of decrees. Should any case of delay in the grant of copies, as above, be brought to the notice of the Deputy Commissioner or other Revenue Officer and established to his satisfaction, the official responsible for the delay should be suitably punished.

OFFICIAL MEMORANDUM.

No. 6346-53, *dated 7th December* 1906.

To—The Deputy Commissioners of Districts.

Subject.

Land Revenue Collections in the several districts of the State during the month of May 1906.

The arrears for past years are heavy in the districts of Mysore, Hassan and Shimoga being Rs. 2,04,701, Rs. 1,43,818 and Rs. 1,06,784 respectively. The reasons for such heavy arrears should have been explained in the reviews or in the "Remarks" column of the statements. In the case of taluks which are very much behind in collections, Deputy Commissioners

or Sub-Division Officers are requested to obtain and analyse the figures for each village and ascertain the causes for such heavy balances being allowed to accrue. Similar analysis should invariably be made during the jamabandi season in detail. Where the arrears are found irrecoverable on such examination, remission statements should be ordered to be sent up without delay.

2. As regards the arrears for 1905-06, the Revenue Commissioner recognizes that, owing to abnormal seasonal conditions in Kolar District and parts of Tumkur, Bangalore, Shimoga and Mysore Districts, remissions or postponements of revenue have had to be made, which account for a portion of the heavy balances in Kolar, Tumkur, Mysore, Hassan, Shimoga and Kadur Districts. It is however noticeable that the percentage of collections in some districts is greater than in other districts owing probably to greater attention paid to this important work. This is especially seen where the collections are examined talukwar (*vide* statement attached). The remission statements called for from the Kolar District in Government Proceedings No. R. 10878-87—Agri. 22-05-35, dated 19th February 1906, have not yet been submitted and should be expedited. Enquiry similar to that indicated in the case of the arrears of past years should be instituted in regard to arrears for 1905-06, recoverable arrears collected and remission statements submitted where the arrears are found to be irrecoverable.
